Bringing Value to Agrobiomass
10th – 11th of February 2021
 - virtual edition -

Food & Bio Cluster Denmark together with members of **AgroBioHeat Consortium** and other **Enterprise Europe Network** partners, are organizing an international brokerage event on how to create value from agrobiomass and side streams from food production in a circular bio-economy. The online matchmaking event, scheduled on the 10th - 11th of February 2021, is part of the EU-funded project AgroBioHeat which is focused on mass deployment of improved and market ready agrobiomass heating solutions in Europe.

Topics addressed in the matchmaking event :

- Renewable energy production
- Biorefining
- Agrobiomass production
- Logistics and handling

Participation is free of charge.

Deadline for registration: 8th of February 2021

For more details and registration, please access the following link: <https://bringing-value-to-agrobiomass.b2match.io/>.

Smart Building Levante - From Smart Homes to Smart Cities: Innovation and Technological Integration in Southern Italy
19th – 20th of February 2021
- virtual edition -

The Italian National Agency for New Technologies, Energy and Sustainable Economic Development, in close collaboration with other EEN members, is organizing a virtual Brokerage Event about construction and territorial technological innovation for southern Italian regions, during 19th – 20th of February 2021.

Smart Building Levante is the child of numerous activities that take place across Italy with the Smart Building Italia brand. More than others, Smart Building Levante has the trademark of technological innovation and can represent the whole sector of home and building automation and system integration.

Being that, starting with 31st of December 2020 all new buildings will have to be Nearly Zero-Emission Buildings (nZEB), Smart Building Levante will provide a reflection on how this goal should be managed in regions that are increasingly facing rising temperatures.

The Smart Building Levante Matchmaking Event 2021 will have an introductory workshop titled Smart Building in the European Green Deal: Challenges and Opportunities (19th of February 2021, 10:30 - 12:00) that will be focused on the European Green Deal and the Renovation Wave.

The participants will have the opportunity to debate on subjects like: Energy Efficiency and HVAC, Renewable Energies, Security, Smart City Technologies, Connectivity, Audio/Video, Home Automation and Electrical Systems and Smart Lighting.

Participation is free of charge and the registration deadline is 12th of February 2021.

For further details we invite you to access the following link: <https://smart-building-levante.b2match.io/>.

**Construction-2021
Virtual Brokerage Event
23rd – 24th of February 2021**

South-West Oltenia Regional Development Agency, as co-organizer, invites you to attend the online Brokerage Event “Construction-2021”, which will be organized between 23rd – 24th of February 2021, together with Enterprise Europe Network partners from Bulgaria, Hungary, Romania, Serbia and Turkey.

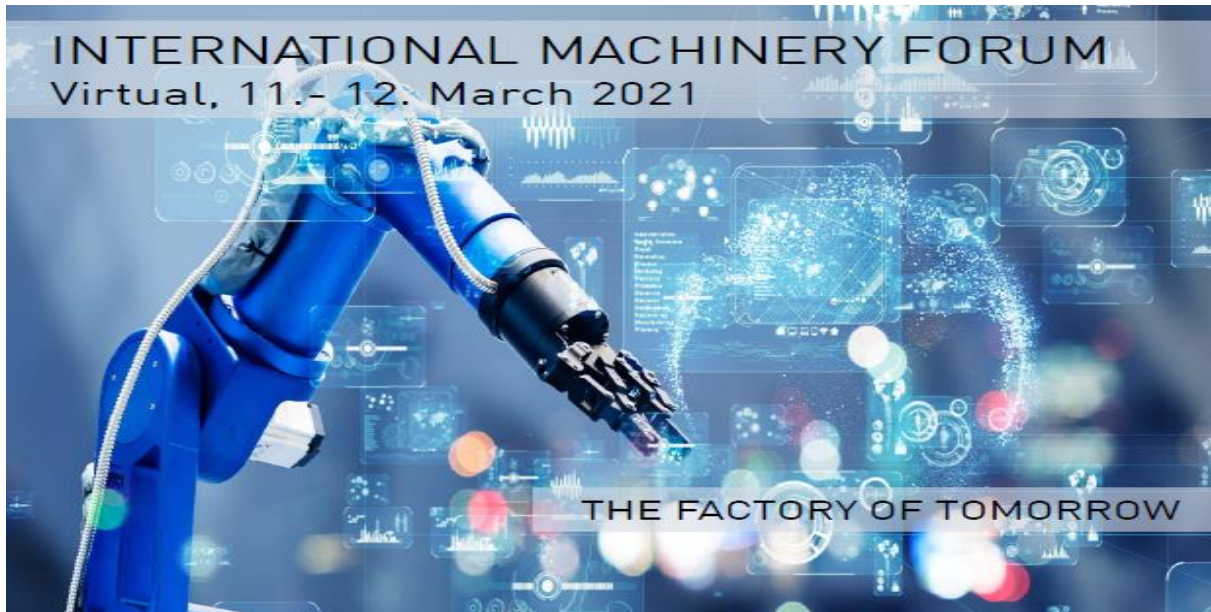

This event will provide large companies, SMEs, public institutions, associations, clusters, investors with a unique opportunity to establish business and technology partnerships via pre-scheduled 1-1 meetings.

Focus points are construction materials and construction machineries. 20-minute-bilateral meetings are scheduled according to each participant's availability, interests, and goals. In order to enable participants to find suitable partners, each participant has to choose at least one item from the "Marketplace Opportunities".

Participation is free of charge and the deadline for registration is 22nd of February 2021.

For more details and registration, please access the following link: <https://construction-2020.b2match.io/>.

International Machinery Forum 2021 - The Factory of Tomorrow
11th – 12th of March 2021
- virtual edition -

South-West Oltenia Regional Development Agency, in collaboration with **Advantage Austria**, the trade promotion organization of the **Austrian Economic Chamber (WKO Aussen Wirtschaft Kammer Österreich)**, and **Enterprise Europe Network (EEN)**, invites you to attend the conference **International Machinery Forum 2021 - The Factory of Tomorrow**, scheduled between 11th - 12th of March 2021. The event will consist of three modules:

- Conference, which will present current trends and innovation leaders in this field, followed by panel discussions on various topics: supply chain resilience, green production, AI in industry, additive manufacturing or the industrial 3D printing process (additive manufacturing), meta data and security analysis, automation;

- An exhibition that will introduce products, services and projects of innovative Austrian research companies and institutes;

- International B2B matchmaking event to identify partnerships, with participants from over 40 countries around the world.

Participation as a visitor is free of charge.

Deadline for registration: 11th of March 2021

For more details and registration, please access the following link:

Opportunities for business internalization Partnerships within Enterprise Europe Network

South-West Oltenia Regional Development Agency, as a partner of the Enterprise Europe Network (EEN), present in more than 60 countries, aims to support SMEs in the South-West Oltenia Region, in order to exploit international business development opportunities.

The mission of the Enterprise Europe Network partners is to help local companies to internationalize their businesses by offering advice, identifying new markets for products/services, contacts with potential partners for developing new business or technologies.

As a member of the Healthcare Sector Group within the EEN, South-West Oltenia RDA supports companies and organizations from the South-West Oltenia Region that are active in the health sector in their efforts to remain or to become even more competitive, promoting innovation activities and encouraging international business cooperation. In this way, the aim is to develop partnerships with both the members of the sector groups and with potential international collaborators.

For any further information or support, in order to promote your collaborative interests through the Healthcare Sector Group and the Enterprise Europe Network platform, please contact us by emailing office@adroltenia.ro and mihaela.lupancescu@adroltenia.ro.

European Platform “Care & Industry together against CORONA”

South-West Oltenia Regional Development Agency, as co-organizer, promotes the European Platform “Care & Industry together against CORONA”, a B2Match platform on which can be uploaded requests and offers of products and services in the healthcare field needed in the fight with the new coronavirus (COVID-19).

The initiative belongs to EEN Flanders, in collaboration with Flanders' Care and the Government of Flanders and is powered by the **Healthcare Sector Group within the Enterprise Europe Network (EEN)**, a group of support dedicated to healthcare field actors, to which South-West Oltenia RDA has joined since 2016.

SMEs, entrepreneurs, research institutions, medical organizations and governments are invited to cooperate and join the online platform to help in dealing with the current crisis in the healthcare sector. Thus, the aim is to support the companies and the healthcare services providers in finding viable solutions. Also, the platform reserves virtual space for governments to publish all links with relevant information.

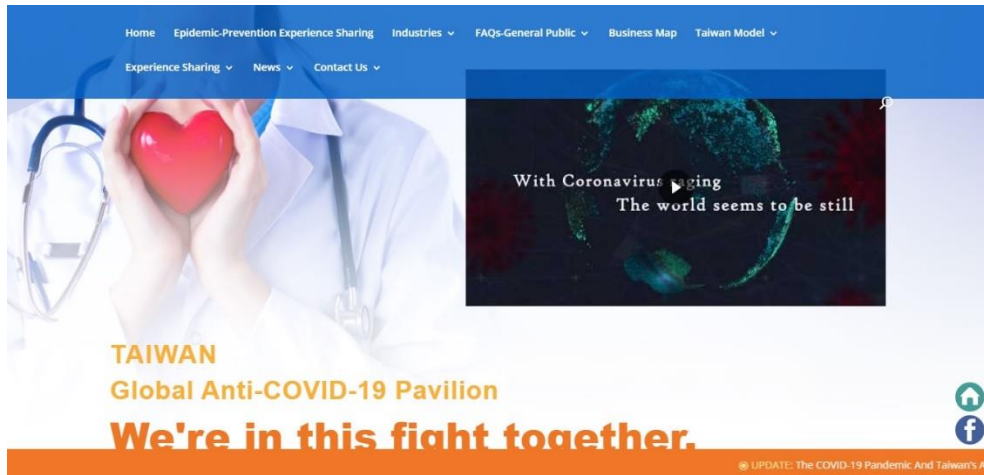

Register your company/ organization, present your solution, suggest your initiative, provide relevant information, explain your needs and find the right partner!

The Enterprise Europe Network experts from South-West Oltenia RDA will support you to publish your requests and offers of medical products and services. After the validation, the registered ones will set up virtual meetings with the other participants through the platform.

The platform will remain active until 31st of December 2021.

For more information and registration, please visit the following link: <https://care-industry-together-against-corona.b2match.io>. For any further information or support, please contact us by emailing office@adroltenia.ro and mihaela.lupancescu@adroltenia.ro.

TAITRA Taiwan – Digital platform created to support the fight against COVID-19

South-West Oltenia Regional Development Agency, together with TAITRA (Taiwan Foreign Trade Development Council), as Enterprise Europe Network (EEN) partners and in the context of Healthcare Sector Group membership within EEN, invites you to consult the digital platform “TAIWAN Global Anti-COVID-19 Pavilion”, which was created by TAITRA, in order to support the fight against COVID-19.

The platform, which can be accessed at the following link: <https://www.anticovid19tw.org/>, brings together the activity of experts from over 20 medical institutions and provides useful information for preventing epidemics, with the support of the Taiwan Ministry of Health, hospitals and other organizations.

The platform provides:

- **Epidemic-Prevention Experience Sharing:** the platform shares Taiwan’s experience and expertise. You can also connect with Taiwan’s industries, hospitals, and service providers. The platform addresses both the needs of professionals and of the general public,
- **Industries:** Taiwan is equipped with excellent public health, medical energy and rich experience in epidemic prevention. Companies in Taiwan are also dedicated to produce excellence anti-epidemic related merchandise,
- **Frequently asked questions and answers (FAQs)** from reliable sources,
- **Global Anti-Pandemic Business Map** – the latest border control infographic,
- **Taiwan Model:** prevention measures that Taiwan has successfully implemented regarding the fight against the spread of the epidemic.

Also, if there are medical organizations or doctors who need help, advice or information, virtual meetings can be requested through the platform.

For any further information or support, please contact us by emailing office@adroltenia.ro and mihaela.lupancescu@adroltenia.ro.

Brokerage Event - Meeting in Italy for Life Sciences 2021
Waiting for MIT4LS2021 - bilateral meeting sessions
open until 15th of May 2021

29th of September 2021 – 1st of October 2021
(face-to-face meetings - physical event)
Genoa, Italy

South-West Oltenia Regional Development Agency, together with the **Chamber of Commerce from Genova, Italy**, as **Enterprise Europe Network (EEN)** partners and members of the **Healthcare Sector Group** within EEN, invites you to attend the international brokerage event **Meet in Italy for Life Sciences (MIT4LS)**. The event was born as an opportunity for collaboration and development in the field of Life Sciences, therefore, this year's edition will consist both in organizing online bilateral meetings between companies, on the event platform, until the 15th of May 2021, as well as in organizing a physical brokerage event, from 29th of September to 1st of October 2021, in Genoa, Italy.

The aim is to make the most of the opportunities for business collaboration, research, project proposals from the MIT4LS community. Regarding the physical event, this will include an international conference in the field of Life Sciences, in-depth thematic workshops, company presentations, exhibition spaces and initiatives that support start-ups in the following sectors:

- medical devices;
- pharma and biotech;
- ICT for health;
- nutraceuticals;
- related value chain.

Participation is free of charge.

Deadline for registration: 13th of September 2021.
