Opportunities for business internalization Partnerships within Enterprise Europe Network

South-West Oltenia Regional Development Agency, as a partner of the Enterprise Europe Network (EEN), present in more than 60 countries, aims to support SMEs in the South-West Oltenia Region, in order to exploit international business development opportunities.

The mission of the Enterprise Europe Network partners is to help local companies to internationalize their businesses by offering advice, identifying new markets for products/services, contacts with potential partners for developing new business or technologies.

As a member of the Healthcare Sector Group within the EEN, South-West Oltenia RDA supports companies and organizations from the South-West Oltenia Region that are active in the health sector in their efforts to remain or to become even more competitive, promoting innovation activities and encouraging international business cooperation. In this way, the aim is to develop partnerships with both the members of the sector groups and with potential international collaborators.

For any further information or support, in order to promote your collaborative interests through the Healthcare Sector Group and the Enterprise Europe Network platform, please contact us by emailing office@adroltenia.ro and mihaela.lupancescu@adroltenia.ro.

European Platform “Care & Industry together against CORONA”

South-West Oltenia Regional Development Agency, as co-organizer, promotes the European Platform “Care & Industry together against CORONA”, a B2Match platform on which can be uploaded requests and offers of products and services in the healthcare field needed in the fight with the new coronavirus (COVID-19).

The initiative belongs to EEN Flanders, in collaboration with Flanders' Care and the Government of Flanders and is powered by the **Healthcare Sector Group within the Enterprise Europe Network (EEN)**, a group of support dedicated to healthcare field actors, to which South-West Oltenia RDA has joined since 2016.

SMEs, entrepreneurs, research institutions, medical organizations and governments are invited to cooperate and join the online platform to help in dealing with the current crisis in the healthcare sector. Thus, the aim is to support the companies and the healthcare services providers in finding viable solutions. Also, the platform reserves virtual space for governments to publish all links with relevant information.

Register your company/ organization, present your solution, suggest your initiative, provide relevant information, explain your needs and find the right partner!

The Enterprise Europe Network experts from South-West Oltenia RDA will support you to publish your requests and offers of medical products and services. After the validation, the registered ones will set up virtual meetings with the other participants through the platform.

The platform will remain active until 31st of December 2021.
